

MOTOTRIP CHECKLIST

ABSTRACT

A checklist to cover majority of motorcycle journeys. Lest we forget... something needful.

Alex Vostrykov

Mototrip Checklist

Special thanks to Alex Zaitchenko, an awesome guy, who actually composed the lion share of this checklist and from who I learnt a lot about motorcycle trips.

Dear reader, if you find that something is obviously missing in the following list, please feel free to email to info@alphasquaredtechnologies.com

Personal things

1. Passport + its copy.
2. Driving license + its copy
3. Vehicle Insurance + its copy
4. Bike ownership + its copy. Especially paranoid people can have also a USB pen drive with scans of all aforementioned documents.
5. Medical insurance – make sure that you have a proof of it.
6. Roadside assistance card
7. Wallet
8. Local cash
9. Cell phone + USB cable + charger
10. Spare ignition keys
11. Spare panniers keys (if needed)

Clothing

This will depend on where you're going to stay (camp grounds, motels etc.), your destinations (for example, in mountains evenings are cold), what you are going to do (hiking, sightseeing, restaurants etc.)

12. Jeans.
13. Hiking pants and boots.
14. Sweater
15. Socks and underwear.
16. Swimming trunks
17. Hat
18. T-Shirts

Personal Grooming

19. Toothbrush, toothpaste

SAFETY QUIZZ

Let's make this world safer...

Mototrip Checklist

20. Razor
21. Hair brush
22. Toothpicks
23. Contact lenses etc.
24. Fingernail clipper
25. SPF sunscreen

Camping

26. Tent, tent gear attachment
27. Sleeping pad, Sleeping bag
28. Towel
29. Cup
30. Stove
31. Bowl
32. Cooking pan
33. Fork/Knife/Spoon
34. Propane + lighter or matches, fire starter
35. Axe
36. Flashlight
37. Tea/Coffee/Salt/Sugar/Pepper.

Riding Gear

38. Pants
39. Jacket
40. Helmet
41. Air gloves
42. Gloves
43. Warm Gloves (if needed)
44. Rain gear
45. Boots
46. inReach tracker + USB cable + charger. Very useful device.
47. GPS + USB cable + charger.
48. Paper maps of the region
49. RotoPax keys (if applicable).

Mototrip Checklist

Other stuff

50. First Aid kit
51. Notebook/Paper
52. Pen/pencil
53. Inverter 12->110V
54. Air compressor
55. Rope (30')
56. Towing strap and/or Ratchet straps
57. Spare glasses
58. Anti-theft stuff to lock wheels and/or to link bikes together

Repair toolkit

59. Bike repair manual
60. Multi-tool/Knife
61. Electrical tape
62. Wire
63. Electrical wire
64. Spare fuses
65. Pliers
66. Tire repair kit
67. Wrenches and/or sockets (depending on the scope of repairs or maintenance; but at least for changing battery, removing saddle, regulating mirrors).

Miscellaneous

68. Plan your trip in advance – stops, gas stations, sightseeing etc.
69. Take care of planned maintenance: either it should be done before or after, or that you can do it during the trip.
70. Make all the checks and examinations before hitting the road (tires, pressure, battery, lights, state of brakes etc.)
71. Learn your license plate number by heart: that can be the first question at the border.
72. Trim this list according to your situation.
